Thank you for this request. The Council is soon to begin a program of reviewing the parking controls in the 25 different 'commercial centres' of Randwick. These centres range in size from locations with little corner stores to major centres such as Maroubra Junction, Randwick Junction and Coogee Beach. The reviews will include a survey of business operators, nearby residents and shoppers / clients / visitors. We expect to be reviewing the Coogee Beach area early next year and your suggestion will be included in our assessment.
