<p><b>Resolution 2</b></p> <p><b>Adherence to Council's Customer Service Charter Requirements</b></p>	<p>Susan Graham spoke to this topic. Council compliance with its own charter of service is variable. Often Council staff don't respond to customer calls within Council designated time limits and the response is patchy or inadequate. It was noted that Council responds more quickly to requests using the using the "Snap Send Solve" app.</p> <p><i>Bays and Beaches Precinct requests Council to:</i></p> <ol style="list-style-type: none"> <li>1. <i>Review its Customer Service Charter and ensure that frontline staff and contractors are familiar with, and follow the Charter at all times.</i></li> <li>2. <i>Clarify the definition of 'established standard times' in the Charter.</i></li> <li>3. <i>Ensure that all resident reports are recorded in the Council's customer request system (CRM) and actioned within established standard times. <p><b>Other Issues</b></p>	<p><b>Recognition of Lynda Newman</b> Bays and Beaches recognises Lynda Newman for her efforts in preserving the environment and the coastal area of Botany Bay and our area.</p> <p><b>Off-leash Dog Areas at PH</b> Chris Hanson reported that residents feedback received during the PH Open Day was that McCartney oval is already being used as an informal off-leash dog walking area and perhaps it could be made a designated off-leash area. However, the meeting didn’t feel that this would be appropriate as once</p>

	<p>designated, dog numbers would increase significantly requiring the area to be fenced off which is not permitted by the PH Master Plan.</p> <p>It was confirmed that there are two nearby sites already designated as off-leash dog areas:</p> <ol style="list-style-type: none"> <li>1. Woomera reserve - many people let run their dogs off-leash including on the golf course.</li> <li>2. 2.Bicentennial Park near Yarra Bay is another informal off-leash area, though dogs are not allowed on the beach. (Council is investigating extending this).</li> </ol>
