8. New matters

8.1 Artificial Reef off Coogee Beach - Lengthy discussion Resolution 23/23 (Attached)

8.2 Trees Coogee Bay Road - Advice received re removal of present “dead” trees with native bluberry ash trees to commence.

8.3 Planning proposal 1&3 Berwick St

www.yoursay.randwick.nsw.gov.au Closing 12 May 2023 . All requested to take the survey. **Resolution 22/23 Coogee Precinct supports RCC Planning Proposal to heritage list 1 and 3 Berwick Street, Coogee and strongly opposes any attempt to remove the interim heritage order on 3 Berwick Street Coogee**

8.4 RCC Draft Operational Plan and Budget – Exhibition 21 April-19 May . To review and make submissions

8.5 Advertising on Coogee Oval . Response from Resolution 7/23 was discussed. The temporary advertising screening which assists in crowd control appears to remain in place for the whole season thus blocking the view of a lovely green space to people walking by. Resolution 19/23 .RCC to be requested to remove the temporary advertising screening when there is a gap > 1 week between the sporting club’s home matches/ games .

8.6 Dunningham Reserve Toilet Block. The Precinct was disappointed that earlier Resolution 22/22 was not supported by Council. Discussion followed that all new amenities everywhere now seem to be constructed to be (understandably) “vandal proof”. **Resolution 20/23. Hand drying facilities (preferably electrical) be provided at the toilet block and hooks be placed on the back of doors to allow for hanging towels or clothes to prevent them becoming wet if they have to be placed on ground.**

8.7 Speed limit of bicycles on shared pathways. Response to Resolution 8/23 was noted. The fact that the promenade has heavy pedestrian traffic and an increased number of e bikes and scooters raises concerns.

Resolution 21/23. Coogee Precinct requests that RCC investigates the possibility of imposing a 10Km/ hr speed limit on Coogee Promenade .

8.8 Bundock Street Housing Redevelopment. It is hoped a representative of the Randwick Barracks Community Consultation Committee will attend the June meeting.

Meeting closed 9:16pm

Next meeting Monday May 15
