MEETING DATE: 17 April 2023 **FILE:** F2004/08046

ACTIONED TO: Joe Ingegneri, Manager Technical Services

RESOLUTION NUMBER: 20/23

Resolution:

The Precinct was disappointed that resolution 22/22 was not supported by Council (see D04896496).

Resolution 20/23: Dunningham Reserve Toilets - Hand drying facilities (preferably electrical) be provided at the toilet block and hooks be placed on the back of doors to allow for hanging towels or clothes to prevent them becoming wet if they have to be placed on ground.

Council response:

In reference to Resolution 20/23, air hand dryers were not included in the scope for the toilets due to vandalism associated with public toilets. Paper towel dispensers were installed, and they have already been removed by an act of vandalism. There has been other vandalism involving damage to a door. On this basis we are assessing whether to replace the paper towel dispenser.
