PRECINCT: Bays and Beaches Precinct **EMAIL:** baysbeaches@gmail.com

MEETING DATE: 24 July 2023 **FILE:** F2021/08210

ACTIONED TO: Kerry Kyriacou, Director City Planning

RESOLUTION NUMBER: 24072023(1)

Resolution:

Resolution 27072023(1): Randwick Council to write to State Government asking for the rationale behind building the wharf.

Council response:

I refer to the Precinct's request for Council to write to State Government asking for the rationale behind building the Kamay Ferry. Randwick Council has raised concerns about the environmental impact of the ferry project over a number of years. Notwithstanding Council's objections, the NSW Government decided to proceed with the project. As such, Council resolved in June 2023 to work collaboratively with the NSW Government; the La Perouse Local Aboriginal Land Council, and the community through the construction phase and beyond, to ensure that the proposal delivers the best outcomes for the community and the environment.

Please be advised that Council is unable to write to the State Government on behalf of the Precinct, however the Precinct may consider contacting Transport for NSW at kamayferrywharves@transport.nsw.gov.au or the [Minister for Transport](#) Jo Haylen directly.
